Dear Colleagues:

The forensic programs at Texas Tech University and The University of Utah invite you to the 10th annual Mile High Swing to be held on the campus of The University of Utah, January 8-10, 2016.

The Mile High Swing will feature 2 complete parliamentary debate tournaments. At the first half (TTU), we will offer 5 preliminary rounds with a possibility of partial triple-octofinals, along with some features similar to the NPTE, such as pre-released topics and flex time. At the second half (Great Salt Lake), we will offer 5 preliminary rounds with a possibility of partial triple-octofinals, and we will utilize random topics similar to the NPDA Championship tournament. The first half will utilize mutual judging; the second will utilize strikes. Both tournaments will feature two minutes of flex time after the PMR, LOC, as well as one minute of flex time after the MGC, and LOR. This time may be used for prep, CX, drinking water, etc.

We are also pleased to announce that Joe Gantt, Director of Forensics at Lewis & Clark College, has agreed to tabulate the tournament.

We expect these tournaments to be some of the most competitive in the nation and we hope you will join us in Salt Lake City this coming January.

SPECIAL NOTE: The University of Utah and California State University Long Beach will host an IE/LD swing alongside this tournament. The schedule has been arranged to allow full-service teams to split their competition between halves (e.g., PARLI/PARLI, IE/PARLI, or IE/IE). PLEASE NOTE: IE competitors wishing to do Parli, must do their IE’s in the first half of the IE swing due to scheduling constraints. The invitation can be found here: [http://www.debate.utah.edu/?page_id=8](http://www.debate.utah.edu/?page_id=8).

Sincerely,

Adam Testerman    Michael K. Middleton

**Entries & Eligibility**
Tournaments are open to any regularly enrolled undergraduate in a two year or four year college or university in good standing with the school's debate team/club. As the tournaments run back-to-back, students may (and are encouraged to) attend both tournaments.

All entries should be submitted via the forensicstournament.net website. Please make sure that you enter both halves of the swing, if that is your choice. **Entries are due by Friday, January 1st at 11:59 PM (PST).** This early entry deadline is necessary for ordering food, compiling judges, and ensuring the timely distribution of strike forms.

**NEW!** In addition, all judges must enter a judging philosophy on forensicstournament.net by Friday, January 1st at 11:59PM (PST). Schools that fail to enter their judge’s philosophies will forfeit the right to complete preferences/strikes AND/OR BE REQUIRED TO PAY A NUISANCE FEE. We hate to make threats concerning philosophies, but we are concerned by the need for the tournament to scramble and prod schools for philosophies. Please enter philosophies when you enter your judges to ensure that other schools have access to information so that they can make appropriate decisions concerning their preferences.
**Campus**
We will primarily be running the tournament out of Orson Spencer Hall. Prep rooms will be assigned by size of squad and space needs.

**Parliamentary Debate- 1st Half (TTU)**
Five preliminary rounds of parliamentary debate will be offered followed by an appropriate number of elimination rounds in one open division. Competition will be administered according to the NPDA rules of Judging and Debating. Time limits are 7 minutes for the 1st government constructive, 8 minutes for all other constructive speeches, 4 minutes for the leader of opposition rebuttal, and 5 minutes for the prime minister rebuttal.

**SPECIAL NOTE:** Both tournaments will feature two minutes of flex time after the PMR and LOC, as well as one minute of flex time after the MGC, and LOR. This time may be used for prep, CX, drinking water, etc.

Topics will be selected from a list of 5 controversy areas released approximately on or about December 1, 2015. We recognize that the vast majority of schools will have either just completed their winter break or may still be on winter break at the time of the swing; therefore, allowing one month of time to review the topic areas and resolutions will allow for all students to have some opportunity to conduct research.

Topics, during the tournament, will be released at a centralized announcement site in the Orson Spencer Hall Auditorium and teams will have 20 minutes to prepare and walk to their room. We will assign a preparation room for each squad. We are on a very tight schedule, so it is imperative that rounds begin on time! Judges should begin their rounds precisely 20 minutes after topic announcement. **THIS TOURNAMENT WILL USE EMAIL BALLOTING!** Disclosure of decisions and other oral commentary may be conducted at the discretion of the judge, but please conduct such commentary after the ballot has been returned by email. We will be attempting to power-match every round without lagging, so a prompt return ensures that the tournament stays on time. A warm room of results will be provided.

At the end of the preliminary rounds, we will advance all teams with a winning record (3-2 and better) to elimination rounds. Teams advance first based on win/loss record, then adjusted speaker points, then total speaker points, then judge variance. Brackets will be broken in elimination rounds.

At this half of the tournament, we will offer mutual judging. All judge ranking information must be submitted by Thursday, January 7th at 6:00PM PST in order to be guaranteed for the first two rounds of competition.

**Forfeiture Rule:** Any team that is late to a round (defined as 2 minutes after prep has concluded) will be immediately forfeited in the round to which they are late. A universal timer will be made available at the time of topic announcement. Forfeiture rules will be enforced by the judge assigned to the round.
Parliamentary Debate- 2nd Half (Great Salt Lake)
All tournament guidelines are the same as for the Texas Tech half, with the exception of two things; at the GSL half, there will be no topic areas (though topics from the TTU topic areas may be used). Also, mutual judge assignments will not be in effect for this tournament, but an appropriate number of judge strikes will be available. Once again, judge strikes need to be submitted by Thursday, January 7th at 6:00PM PST in order to be guaranteed for the first two rounds of competition.

WE WILL USE EMAIL BALLOTING!

SPECIAL NOTE: Both tournaments will feature two minutes of flex time after the PMR and LOC, as well as one minute of flex time after the MGC, and LOR. This time may be used for prep, CX, drinking water, etc.

Forfeiture Rule: Any team that is late to a round (defined as 2 minutes after prep has concluded) will be immediately forfeited in the round to which they are late. A universal timer will be made available at the time of topic announcement. Forfeiture rules will be enforced by the judge assigned to the round.

Awards
Individual awards will be presented to the top 10 speakers in each tournament. Because we value meaningful awards for top performances, quality awards will be presented to all teams who advance to the quarterfinal round and beyond. Additionally, we will present a swing sweepstakes award to the top three schools at the combined two tournaments. Swing sweepstakes will be determined by awarding 1 point for every preliminary round win for a school’s top four teams at each tournament. Ties will be broken in favor of the school whose team advanced farthest at the first half of the swing. We will also have a special award for the top speaker at both halves combined.

The award for top speaker and top team at the GSL half honor two of Utah’s emeriti faculty in argumentation & debate. First, the Malcolm O. Sillars Tournament Champion Award will be given to the team that wins the Open division of NPDA at the GSL. Second, the Richard Rieke Outstanding Debater award will be given to the top ranked speaker in the Open division of the GSL.

**Fees**
Fees for each half of the tournament will be $95.00 per debate team, or $190.00 total for teams attending both halves. These fees include breakfast, lunch, and dinner for the first two days. We will also provide breakfast and lunch on the third day, but dinner to only those still competing and judging in quarterfinals of the GSL half of the swing.

Each judge covers 2 debate entries. Uncovered judging fees will also be $150.00 for each half of the tournament, or $300.00 total for teams attending both halves in addition to entry fees. It’s cliché, but we would rather have your judges than your money. The tournament directors reserve the right to refuse entry to teams uncovered by a critic. If you have extra judges attending the tournament, please contact the tournament directors, as we may be able to hire them at a healthy stipend.

Judges will be expected to judge all preliminary rounds and thru the double-octofinal round. After that point, judges will be expected to judge one round past the elimination of their teams.

Fees will be assessed as of 11:59 PM PST, Friday, January 1 and schools will be expected to pay fees as indicated by their entry at that time regardless of subsequent deletions.
